CONFERENCE OVERVIEW

disabilityconference.co

Welcome to the The 9th World Disability and Rehabilitation Conference 2024 (WDRS) which will take place from 02nd - 03rd September 2024 in Bali, Indonesia (Hybrid Platform). This is a collaborative hub designed to unite academicians, professionals, policymakers, and scholars, facilitating the exchange of insights and experiences to advance disability studies and global rehabilitation efforts. The conference offers meticulously designed opportunities for knowledge exchange, career development, and collaborations, featuring engaging workshops led by experts and aligns with the Sustainable Development Goals, reinforcing our commitment to a healthier and more sustainable future for all.

“EMPOWER COLLABORATION, WORLDWIDE IMPACT IN DISABILITY STUDIES ADVANCEMENT”

OUR HISTORY

WDRS has cultivated a global network comprising 2000+ participants from 150+ universities in 60+ countries over 8 successful years.

OUR STORY

Celebrating a Decade of Progress: Reflections on the WDRS Series

WHY ATTEND WDRS 2024?

Share

We cordially invite you to attend WDRS 2024, which has been meticulously designed to provide a rich and dynamic platform for the exchange of ideas and knowledge.

Network

The event will offer unparalleled opportunities to participate in international networking with leading scholars, researchers, and professionals from across the globe.

Advance

In addition, attendees will have access to a series of engaging workshops led by esteemed experts, which will enable them to develop and enhance their skills in their respective fields.

Experience

Whether you choose to attend in person or virtually, our event promises to be a valuable and enriching experience

OUR VISION

To inspire and support individuals and groups to empower persons with disabilities while honoring diverse backgrounds.

OUR MISSION

To motivate, empower and engage persons with disabilities globally and to assist in creating and developing the highest quality of inclusive, innovative and educational content in the field of disability rehabilitation and improve the quality of life of persons with disabilities.

The purpose of WDRS 2024 is to **cultivate a comprehensive and inclusive dialogue on disability and rehabilitation, fostering meaningful interactions and collaborations between attendees from diverse global regions.**

WDRS 2024 is dedicated to enhancing the exchange of innovative ideas, resources, strategies, and best practices, aiming to empower stakeholders from various backgrounds

With a commitment to expanding its global network and fostering enduring partnerships, WDRS 2024 is set to not only continue its tradition of excellence but also to make significant strides in the field of disability and rehabilitation, laying the groundwork for future projects and research.

Here is the reason

WHY CHOOSE US

JOIN THE MOVEMENT FOR A

ENRICHING FEATURES

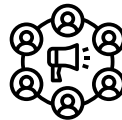

Actions You Can Take

• Research Presentations

Opportunity to present latest research findings

01

• Knowledge Dissemination

Share and distribute new knowledge, trends, and best practices in specific academic fields, promoting continuous learning and growth.

02

• Networking

Offer opportunities for academics, scholars, industry and policy makers to connect, facilitating potential collaborations, partnerships, and knowledge exchange.

03

• Interdisciplinary (research) Collaboration

Encourage discussions and collaborations between various disciplines, leading to more comprehensive and holistic research approaches.

04

• Industry and policy makers Collaboration

(ICOPH 2024) presents a unique opportunity to bridge the gap between industry professionals and policy makers, fostering a collaborative environment that can lead to significant advancements in public health.

05

• Cultural and Geographical presence/Exchange

As these are international events, they promote a cross-cultural and cross-geographical understanding of research topics, accounting for global diversity.

06

JOIN THE MOVEMENT FOR A

ENRICHING FEATURES

Actions You Can Take

• Professional Development:

Organize workshops, training sessions, or panels that help attendees enhance their academic skills, research knowledge, or teaching practices.

• Publication Opportunities/developments

With the aim of locating your research to the right destination, International Conference on Public Health (ICOPH 2024) has amplified its publication opportunities by partnering with TIKIM Publishing.

• Raise Awareness

Highlight pressing issues, challenges, or emerging trends in a particular academic field, drawing global attention to them.

• Recognition

Honor significant contributions or breakthroughs in the academic field through awards and honors.

• Fostering Global Academic Community

Strengthen the bonds of the global academic community, reinforcing the idea of collaborative progress and shared knowledge.

• Peer Review and Feedback for abstract, presentations and full papers

Provide a platform for researchers to receive constructive feedback from fellow experts and peers, enhancing the quality of their work.
